## **The Chicago Market: Living and Giving**

The Peterson Picture Gallery of Art is excited to introduce a new and exclusive, ready-to-hang product line of reproduction artwork at the Chicago Merchandise Mart's January Living and Giving Show, January 15-21.

Peterson's high quality framed glicée prints were developed as innovative wall-décor options for professional art buyers in the retail, hospitality, healthcare, corporate and home furnishings industries to be widely distributed by the wholesale design trade. These fine art products include works from artists Katie Puenner, Kim Bly, John Fu, Ezra Darby, Tanya Garvis, Lidoska Guietti and Basia Toczydlowska. With inspired traditional, contemporary and abstract artwork, this new line fulfills a wide spectrum of architectural variations and design themes.

To view these new lines of art, or to learn more about the artists and the invaluable resources provided by The Peterson Picture Gallery of Art, please visit our temporary booth on the 8th floor #1047 and permanent showroom on the 15th floor - suite 1583 at the Chicago Merchandise Mart. Please contact one of our associates at any time with inquiries.

The Peterson Picture Gallery of Art will be hosting a catered open house Saturday, January 17th from 5 - 8 p.m. with hors d'oeuvres, drinks and a live artist demonstration by Steven Fisher.
